Cer 1952

2 May 1952

Dear Father Flynn:

Thank you for your letter of April 29, advising us that St. John's University will be represented at our ceremony on the 18th of May. If it is convenient, would you be good enough to tell us who will represent the University in order that we may send him a card for the academic procession, as well as for the tea which will follow the ceremony.

Awaiting your kind response, believe me,

Respectfully yours,

Bertha L. Lyons (Mrs. N.)

Very Reverend John A. Flynn, C. M.
President
St. John's University
